Rice pudding

Makes 10 portions
Prep time: 10 minutes
Service: 2 minutes a plate

Ingredients

Ingredient	Amount
Whole milk	2.5 l
Pudding rice	300 g
Double cream	300 ml
Caster sugar	150 g
Vanilla extract	20 ml

Method

1. Put the milk, rice, sugar and vanilla in a heavy pan.
2. Bring to a gentle simmer, stirring so the rice doesn't stick.
3. Cook on a low heat for 40 minutes, stirring often, until the rice is soft and creamy.
4. Take off the heat and stir in the cream.
5. Serve warm. To keep it, cool it quickly, chill it and reheat until piping hot.

Allergens: Milk. Check supplier labels before use.
